AMERICAN / SPANISH ALT-DISCO

Ryan Logan
Michi Maestre
Nate Martin

Based in Portland, Oregon, Tenants is an American-Spanish alt-disco trio: Ryan Logan (Sacramento), Michi Maestre (Seville) and Nate Martin (Portland). The three-piece band performs live as a six-piece. Their sound brings together 1970s disco, 1980s art rock and city pop with contemporary electro-funk and psychedelic rock.

Romantic, atmospheric and euphoric, their songs explore the distance between the future they imagined growing up in the '90s and the world they inherited. Sleepin' On A Promise, their second album, is about holding on to love, connection and the possibility of a better future.
